

AJABU MEDICAL CENTER

Opened in Bubwa!

Bringing Hope and Healing to Rural Uganda

A BEACON OF HOPE

We are thrilled to share some exciting news from our charity organization. Thanks to your unwavering support and generosity, we are delighted to announce the opening of a much-needed medical center in the heart of a poor community in rural Uganda. The opening took place on 2.July. This remarkable achievement would not have been possible without your continued dedication to our cause.

The newly established medical center stands as a beacon of hope for the impoverished community it serves. Located in a remote region where access to healthcare is limited, this facility will provide comprehensive medical services to those who need it the most. We firmly believe that every individual deserves access to quality healthcare, regardless of their socioeconomic status.

SERVICES AND FACILITIES

Our medical center is equipped and staffed with highly trained healthcare professionals who are passionate about making a difference.

Here are some of the key services we will be offering:

GENERAL MEDICAL CARE

From routine check-ups to the diagnosis and treatment of illnesses, our medical center will provide comprehensive primary healthcare services to address the community's diverse medical needs.

MATERNAL AND CHILD HEALTH

We will offer prenatal care, safe delivery assistance, and postnatal support to ensure healthy outcomes for both mothers and their babies.

IMMUNIZATIONS AND PREVENTIVE CARE

In partnership with the Ugandan Government, Our team will administer vaccinations, conduct health screenings, and promote preventive measures to reduce the incidence of preventable diseases in the community.

BUBWA COMMUNITY

The impoverished community rejoiced with overwhelming happiness as the long-awaited medical center finally opened its doors, bringing hope, healing, and a brighter future to their lives.

Dr. John in the Pharmacy

DENTAL CARE

Oral health is often neglected in underserved areas. Our dental services will include check-ups, cleanings, and basic dental procedures to improve oral hygiene and overall well-being.

HEALTH EDUCATION AND OUTREACH

We understand that raising awareness is key to building a healthier community. Through workshops, seminars, and community outreach programs, we will educate the local population on essential health practices and disease prevention.

FAMILY PLANNING

Empowering individuals and families to make informed decisions about their reproductive health, helping them control the timing and spacing of pregnancies. By offering access to contraceptives, counseling, and education, these services ensure that residents have the means to plan their families according to their preferences and circumstances. This not only promotes better maternal and child health outcomes but also contributes to economic stability, improved education, and overall well-being within the community.

Our supervising Dr. Elungat John and full-time nurse Martin Ikori with Christine Wambi, director of Ajabu Children's Ministries, Uganda.

THE OPENING 2.JULY

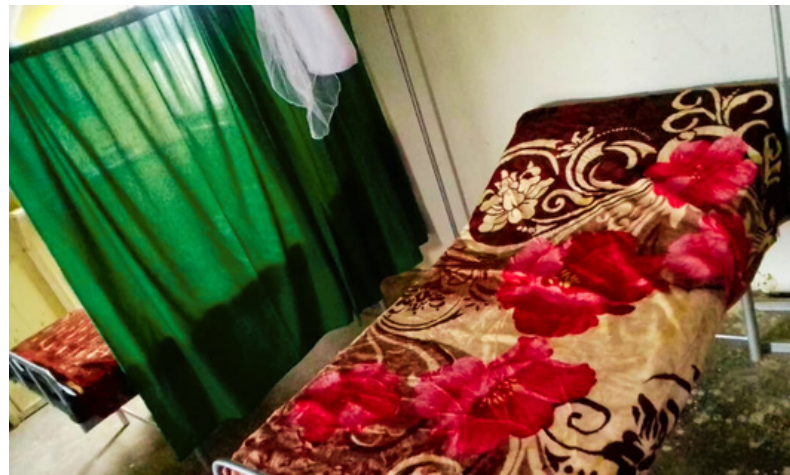

The medical center waiting room was quickly filled up with patients waiting to see Dr. John and nurse Martin.

Dr. John attending to the first patient.

Our attending Nurse, Martin carrying out a malaria test. The malaria test kits are available at the medical center with rapid results, this is to help diagnose and treat patients immediately.

Admission room for round-the-clock care from our attending nurse

Patients waiting for their prescription medicine at the pharmacy .

More patients having a consultation with Dr. John.

OUR TEAM

We extend our heartfelt gratitude to our dedicated work team and passionate volunteers, whose unwavering commitment and selfless efforts have been instrumental in our success.

Our journey to establish this much-needed healthcare facility has been nothing short of remarkable. From the initial planning stages to the culmination of the vision, your collective efforts have made significant impact to countless lives in need. Your selfless dedication has brought hope, healing and a renewed sense of compassion in this community.

From all
of us
to all of
you!

THE JOURNEY

The medical outreach 2022

Dr. John attending to the sick during the medical outreach

Acquiring the building for the medical center, 2022

The proposed building

Start of renovations, 2022

The founders and a team of dedicated workers

More Planning

Everyone joined in to have the medical center ready for opening this summer

The waiting room chairs nicely done

Partnering with a pharmacy to supply the medicines to the medical center

Picking up the equipments for the medical center

Finally we arrived Bubwa after 5 hours...

Starting the work on 30. june

The builders installing windows

The carpenter partitioning the medical center

More work done by the builders

Our founder, Dag Frode doing the branding of the medical center

The building yet to be painted.

Setting up the admission rooms

The children's waiting area

Our head supervising worker, Lwanga painting the medical center with Ajabu colors

Ajabu Medical center on 2. july!

A THOUSAND THANKS!

As we celebrate this significant milestone, we want to express our deepest gratitude to each and every one of you who has contributed to our cause. Without your generous donations and support, this medical center would remain a distant dream for the underprivileged in rural Uganda.

However, our journey doesn't end here. We need your continued support to sustain and expand the services we offer. By making a monthly or one-time donation, you can help us maintain the medical center, hire additional staff, and reach even more individuals in need. Your contribution will bring healing and hope to countless lives.

TOGETHER, WE CAN MAKE A DIFFERENCE

In closing, we extend our heartfelt appreciation for your continued support. By opening this medical center, we are taking a significant step towards improving healthcare access for the impoverished community in rural Uganda. With your unwavering commitment, we can build a healthier future for all.

Thank you for being part of our journey and for standing beside us in our mission to bring hope and healing to those who need it most.

Warmest regards,

Christine Wambi & Dag Frode Helgestad
